

DRIVE-BY GARDEN TOUR

Just because the Greater Des Moines Botanical Garden is closed, doesn't mean you can't see many beautiful gardens! Enjoy this driveable garden tour featuring gardens from our staff, volunteers, members and other supporters. There is a longer version for all ages and a shorter version that includes a scavenger hunt.

The route was designed to start at the Botanical Garden's parking lot garden, Wells Fargo Rose Garden and EMC Insurance Companies Entry Garden, and then proceed on the fastest route to visit each stop. You can enjoy the tour in any order and from any starting point.

INSTRUCTIONS

- To begin this garden tour, you need to have the Google Maps app. It's free and you can download this on any smartphone.
- Once you've downloaded the app, visit dmbotanicalgarden.com/programs/activities-and-resources to access the maps to each tour.
- Once you have a map open, select the number of the garden you want to visit first.
- You can then find directions to that site from there.
- Enjoy the gardens and public places in our community!
