

SUMMER 2025 - INTERNSHIPS

Imagine being immersed in beautiful flowering spaces or walking along winding paths within an urban oasis at your workplace this summer.

As one of our interns at the Greater Des Moines Botanical Garden, every day brings meaningful and memorable adventures. Whether it's helping with Music in the Garden events, Summer Camps, Discovery Tours, or many other educational or outreach programs... these three (3) part-time internships result in cultivating valuable skill sets. It's an opportunity to grow, to learn, and Find Your True Nature with a team whose goal is to help you succeed.

You will be mentored and guided by high-level event management and education professionals within a non-profit workplace. As one of our summer interns, you'll be an important part of a dynamic team who are passionate about connecting with the community and providing enduring guest experiences.

In addition, you will be able to shadow other areas of interest within the organization including marketing, education, volunteer support, retail display, photography, horticulture, and more.

These three part-time intern positions have been designed to fulfill college credits with required or formal university internship programs. While the positions are unpaid, they offer priceless opportunities to gain real world experiences adding to your capabilities and resume.

The Greater Des Moines Botanical Garden stands as one team devoted to learning and practicing anti-racism, inclusion, diversity, equality and accessibility, such that the Garden can be a vital resource and advocate for diverse communities.

To apply for this summer internship, please email a cover letter and resume to catherine@hugginsusa.com by 6 p.m. on Monday, March 17.
